

Jonathan Love has played many roles. He is an artist, a community arts ambassador and the Chief Executive Officer for the Alberta Jubilee Auditoria Society. In addition to voicing, directing and producing videos, commercials and cartoons with his company *ToonVox Media*, he creates and performs regularly with the Calgary Philharmonic Orchestra, Edmonton Symphony Orchestra, and with Honens. On-screen, he has worked with visionaries like Ang Lee (*Brokeback Mountain*) and Kevin Costner (*Open Range*), and has appeared in many television productions. A professor of Public Speaking at Mount Royal University, he has coached executives and facilitated management workshops and courses as far away as Doha, Qatar. He is co-founder of a very successful marriage to CBE Well-being Specialist Kate Love. They have co-produced two amazing children who have already exceeded their high expectations of them. He has also enjoyed 29 years of singing songs for people as a founding member of Calgary's comic *a cappella* group, the Heebie-jeebies. Jonathan is pleased to be returning to the Edmonton Music & Speech Arts Festival as it was the first festival he ever adjudicated.
