# Message from the Festival Chair

Welcome to the **Edmonton Music & Speech Arts Festival (EMSAF)**. The oldest festival in Canada was founded in 1908. At 116-years-old, we hardly look our age.

The Edmonton Music & Speech Arts Festival doesn't just happen. In order to have an annual event that serves the community of Edmonton and area with the best of available venues and adjudicators from across Canada, it takes ingenuity, hard work, and, most of all, the financial support of our community. We cannot exist without the support of our sponsors, patrons, and sustainers who believe in education gleaned through participation in the arts. We ask that if you are one of those individuals who believe in the work of the Festival, consider sponsoring a Scholarship, buying an ad for your business in our program, or donating to our general operating funds. This is the third year of our "48 in '24" event. Donation forms are available outside each room, on our website, and in the Festival office on the main floor. We appreciate any amount you are able to give. As we are a registered Canadian charity, all donations receive an official tax receipt.

We recognize the tremendous dedication and hard work of our Executive Director and Executive Assistant who keep this event functioning every year.

As well, we need to recognize our fantastic volunteer group; the Board of Directors and the individuals who work at the Festival as secretaries to the adjudicators. We could not function without them.

The Board of Directors wishes all participants the best of luck at this year's Festival. May you learn that 'one new thing' that makes the experience so valuable.

To all the teachers, parents and families supporting our participants, we salute you!

  
Brenda Thiru-Chelvam, Festival Chair

## Acknowledgements

**The Edmonton Music & Speech Arts Festival acknowledges that we are on Treaty 6 territory, and that we are beneficiaries of this Treaty of peace and friendship signed in 1876.**

In that spirit, we extend our hands and hearts to the Indigenous nations of the Cree, Dene, Blackfoot, Saulteaux, Nakota Sioux, as well as the Métis who have made Edmonton their home long before the building of our city — and to all Indigenous people who continue to make this city their home. We acknowledge the many First Nations, Métis, and Inuit peoples whose footsteps have marked these lands for generations, including the many places that you are joining from. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. They have been great stewards of the land and incredible creators of art, music, life, and love. Our recognition of this land is an act of reconciliation and an expression of our gratitude to those whose territory we reside on, or are visiting.

We would also like to acknowledge and thank the MacEwan University Alberta College Campus staff, security, and custodial staff for their kindness as well as the staffs at McDougall United Church, the Old Strathcona Performing Arts Centre, and Archbishop MacDonald Catholic High School.

# FESTIVAL ANGELS

**Bill Dimmer**  
Band

**Bill Dimmer** has been described as a "cornerstone" of Edmonton's music scene. The structural metaphor explains his selection as an Artist/Builder in Edmonton's Arts and Culture Hall of Fame 2014. Between his arrival in 1971 and his retirement from the Edmonton Symphony Orchestra in 2014, Bill served as a teacher, mentor, administrator, conductor, and performer, including a potential Canadian record 43 seasons as ESO assistant principal trumpet. Bill played a seminal role in creating the ESO's educational concert series, which he was involved in for over 20 years and introduced a generation of Edmontonians to the orchestra. The ESO has been at the forefront of educational programming in North America and much of the credit is due to Bill's talent for engaging young people – he's been known to don eye-popping theme costumes, from green cats to aliens, to win their attention. Bill has shared his musical knowledge with countless private students, teaching at post-secondary institutions such as the University of Alberta and Grant MacEwan University, acting as clinician and adjudicator at workshops and festivals in Western Canada, and, with students at the MusiCamrose summer music camp, where he served as managing director for several years. He has performed with several groups including the Tommy Banks Band and the Plumbers Union, and is currently music director of the Nova Musica Concert Orchestra and is active as a guest conductor, clinician, and adjudicator. A skilled pilot, he is an active air crew member and instructor with the Civil Air Search and Rescue Association and ground school instructor at the Edmonton Flying Club. He has been known to fly colleagues to remote northern communities as part of the National Arts Centre's music outreach clinics.

# THE shean PIANO COMPETITION

[www.SheanCompetition.com](http://www.SheanCompetition.com)

*Ranald Shean*  
1914–1997

*Vera Shean*  
1923–2005

The Shean Strings & Piano Competition, made possible by a generous grant to the Edmonton Community Foundation from Ranald and Vera Shean in 1996, is open to amateur musicians between 15 and 28 years of age who are residents of Canada currently studying here or abroad, or to non-residents who have been studying in Canada for a minimum of two academic years. Six semi-finalists are chosen from the submitted discs. The winner of the 2024 Competition will be invited to perform with the Edmonton Symphony Orchestra at a later date. Strings and piano are featured in alternative years.

Ranald Shean excelled in both music and sports and was a "Master Teacher". Vera Shean was an equally gifted violinist and pianist. They met in Vancouver where Ranald was Gregori Garbovitsky's associate teacher and Vera was Garbovitsky's student. Vera also continued advanced piano studies with Sir Arthur Benjamin. They married and began a lifelong collaboration in music, predominantly in the Edmonton area.

In the 1940s, Ranald was concertmaster and conductor of the Edmonton Symphony Orchestra. In addition to playing violin in the Symphony, Vera performed in recital and as an accompanist on the CBC. Ranald also conducted the Edmonton Youth Orchestra. In 1966, they established the Edmonton Conservatory of Music that later merged with the Alberta College Conservatory of Music.

Their passion was teaching. During their lives, they both maintained a full teaching schedule (Vera – piano, Ranald – violin) working seven days a week. Sunday was "Open House" for their students. Any student who wanted to come and practice, work with an accompanist (Vera), get extra coaching, play in an ensemble, etc. was welcome. Both Ranald and Vera were elected to the City of Edmonton's Arts & Culture Hall of Fame.

Their dream for young musicians to experience the same passion they had lives on in **The Shean Competition**.

## **GUIDANCE RE: RECORDING OF PERFORMANCES & ADJUDICATIONS**

### **KEEPING YOUNG PERFORMERS SAFE**

The Edmonton Music & Speech Arts Festival Committee recognizes that participation in music festivals can help children grow in confidence, increase their self-esteem and provide a basis on which to learn a range of new skills, as well as give some the chance to build a career in the creative sector. We want to make sure that children can take advantage of these opportunities wherever possible so that they can make the most of these benefits and enjoy the opportunity to perform in public.

Guidance provides a framework to ensure that the welfare of performing children is safeguarded effectively, that they receive proper care, and that their education and rights are protected. Promoting the welfare of our children must always be the driving principle when we consider arrangements, which enable them to participate in these activities.

Recording of children's performances and their adjudications falls under the performers' rights and copyright acts of Canada. These rights and acts which include covering matters as consent, exploitation, intent, harm, creative content, and moral implications, are constantly changing in our laws. It is very easy to find oneself violating a performer's rights or copyright acts should you choose to record them.

In the name of child safety, common decency and in respect for others, the Edmonton Music & Speech Arts Festival Committee asks that you do not record the performances of any child except your own, and that you do not record any performer's adjudication — including your own child's adjudication.

**Should you choose to ignore the Committee's request, a common sense approach to keeping you and our children safe might be to:**

- Always obtain permission from those directly involved in the creation of a performance video. This includes the performer, the accompanist, and the adjudicator.
- Never place on a public repository (e.g.: Facebook, Twitter, or YouTube) anything that includes a public performance of a child, unless explicit permission has been obtained. It makes no difference how small a piece it is.

**The Edmonton Music & Speech Arts Festival has the following Freedom of Information and Privacy Waiver agreed to by all competitors entering the Festival:**

*By entering into the Edmonton Music & Speech Arts Festival, you give the Festival permission to publish your name in our program, on our website and our other publications. In addition, you give the Festival permission to publish your image and/or record of your performance for rebroadcast or promotional use.*

This waiver does not apply to a member of the general public recording someone other than his/her own child/performer.

Please help us keep all our children safe and prospering in the creative arts!

Thank you.

*With thanks to the Lacombe Music Festival Committee for the legal research on this matter.*

***Please consider making a bequest to support the Edmonton Music & Speech Arts Festival/Edmonton Kiwanis Music Festival Association, a registered Canadian charity.***

A bequest made in your Will may produce a valuable tax credit on your final tax return. That credit can save your estate a considerable amount of tax if you have RSPs or large holding of capital property that will be deemed to have been disposed of at your death.

In the year of death and the previous year, you may be able to claim a credit for donations up to 100% of your net income. You can name a charity as a beneficiary of an RSP/RIF and qualify the bequest as a charitable donation. In addition, when a charity is named beneficiary on the RSP/RIF, the assets are paid directly to the charity upon the death of the plan holder, and probate taxes can be avoided.

You could name a charity as your life insurance beneficiary while retaining ownership of the policy. The death benefit is paid outside your estate and is not subject to probate taxes. Furthermore, you can receive a donation credit on your final income tax return. The amount of the donation on your final income tax return equals the amount of the death benefit of the policy paid by the insurance company.

A bequest to the Edmonton Music & Speech Arts Festival may result in a legacy of music and speech arts for future generations.

***Please consult a tax and/or legal professional before making any changes to your Will or insurance.***
